## RAISE A GLASS

When you visit, attend a special event, or become a member, you're supporting The Morton Arboretum's work as The Champion of Trees.

The Morton Arboretum connects scientists, environmentalists, and nature advocates from around the world to protect trees, their habitats, and our shared future.

In the collections, the Arboretum safeguards rare and endangered plants, breeds new disease- and pest-resistant varieties, and leads initiatives to improve the urban forest. Together we have an impact on trees and plants around the world—and in your own backyard.

So refresh your commitment to nature today. Raise a glass and cheers to The Champion of Trees!
